

BENEFITS OF USING BONNIE TELEP

In general, mortgages in Canada are received from a financial institution (such as a Bank or Credit Union) or from a licensed mortgage broker.

The advantages of using Bonnie Telep is that she offers her clients more options with access to hundreds of mortgage products. She works with all the major banks and credit unions in order to secure the best interest rate and product for your individual needs. The result is you have the security of knowing you are getting the best mortgage for your needs.

Remember, **BONNIE WORKS FOR YOU & NOT THE BANK!**

Your best interest is what she has in mind—not the banks.

And best of all, from the minute you sit down in Bonnie's office (or talk to her on the phone) - to the time you sign your mortgage documents **HER SERVICE IS COMPLETELY FREE—NO CHARGE TO YOU!**
